# CONNECTION OPPORTUNITIES

## *Living Out Your Faith*

Our goal is to invite each person to find at least one place to connect beyond worship.  
This connect form lists those places that you can get connected and serve.

What do to:

**Step One** | Pray for God to help you listen and see where you can connect

**Step Two** | Read over the list and reflect on what you hear from God

**Step Three** | Turn this sheet in at the Welcome Desk in the Connect box

One of the Pastors or Program Staff will follow up with you directly.
